

Product Vendor:

Yamaichi Electronics USA, Inc.

Product Title:

CN074 AdvancedMC connectors for AdvancedTCA systems

Contact:

Terry Shyu
 TerryS@YEU.com
 Connector Group Product Manager

Description:

Yamaichi Electronics offers our CN074 AdvancedMC connector series for AdvancedTCA systems. CN074 series is designed with Compression Mount termination technology, which offers much more reliable and faster signal performance over conventional press-fit design by allowing contacts engaging PCB surface directly. CN074 series is capable of 12.5 Gbps transmission speed and possesses various AMC connector options. Product variations ranging from Type B to Type A+B+ for compact/ mid-size AMC modules empower our customers with design flexibility and performance reliability.

Product Part Number	Product Description
CN074-085-0003	Type B AMC Connector
CN074-170-0005	Type B+ AMC Connector
CN074-170-0006	Type AB AMC Connector
CN074-340-0001	Type A+B+ AMC Connector for compact size AMC modules
CN074-340-0003	Type A+B+ AMC Connector for mid-size AMC modules
